

Space Base

Faculty: Engineering

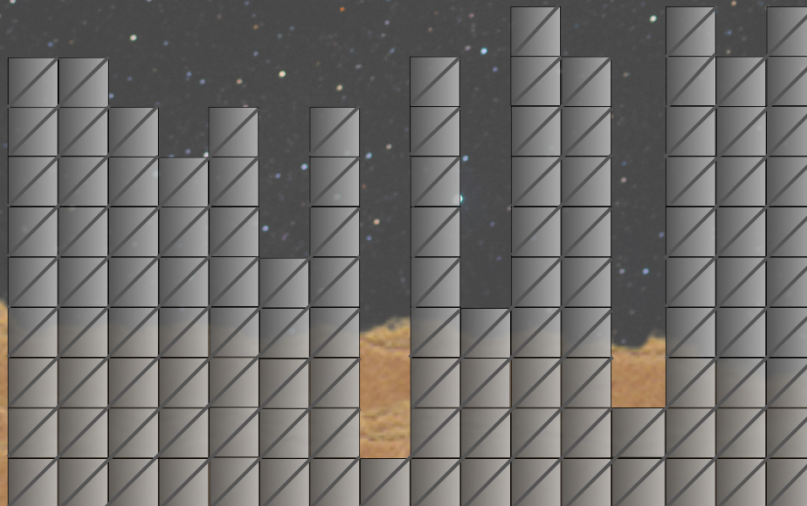

Dear diary.

If I ever get out of here, I'm transferring to a university without geese. Or libraries.

- The bear, big or small (4)
- Low impact cardio equipment (10)
- Astra, Ion, and Sky (7)
- What an astronaut may get into (5)
- Ariel's papa (6)
- Constellation that prevents a full moon? (6,4)
- Flagship Samsung phone (6)
- 1979 Atari space shooter (9)
- _____, Wind & Fire (5)
- Zeppelin levitator (8)
- Sister of Serena or Bananarama hit (5)
- Tennessee NFL'er (5)
- It started with a bang (8)

Solution: Fill in the white squares with the space-themed answers to the crossword clues.
The answers to the clues down each column are:

URSA
ELLIPTICAL
SATURNS
ORBIT
TRITON
ORIONS BELT
GALAXY
ASTEROIDS
EARTH
HYDROGEN
VENUS
TITAN
UNIVERSE

The letters in the star-filled squares produce an anagram of the word GRAVITY, which is a clue that the white squares should descend to the surface below. As the white squares land amongst the black tiles below, the answer, EXTRATERRESTRIAL, is spelled.
