

# Word Search - solution

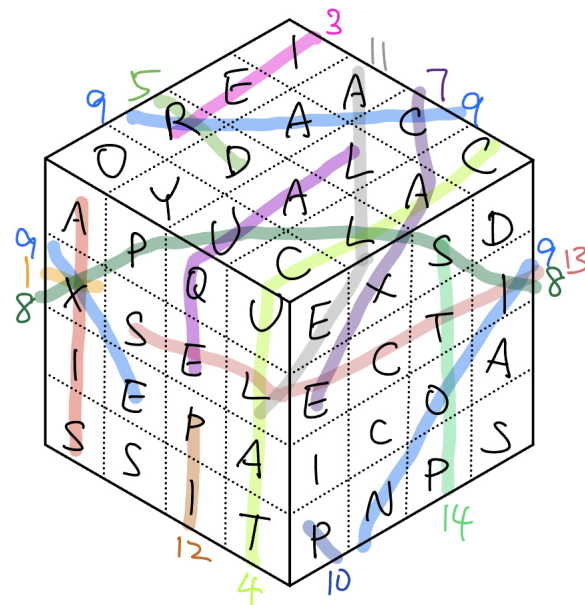

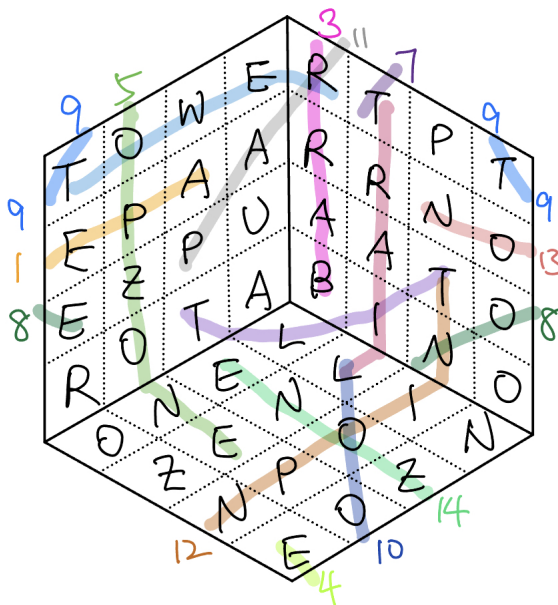

## Faculty: Mathematics

First rearrange the 6 squares in the following way. Then fold it up like a cube. Now all the words can be found on the cube. Once all the words are found, find the leftover letters in the original grid. Reading from left to right, top to bottom, these letters spell YOROZU AND PICASSO, which are two cubist artists.

|   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |   |
|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|
| A | P | Q | U | E | X | S | D | T | P | T | R | E | W | O | T |
| X | S | E | L | E | C | T | I | O | N | R | R | A | A | P | E |
